UNIVERSITY  
of HAWAII  
MĀNOA

AECOM

# Call for Abstracts

Academic **paper** and **poster** abstracts aligned with GPDRR Side Event Sub-Themes below can be submitted by May 10, 2022 (300 words maximum). Abstracts should be in English. Selected papers and posters will be presented at the conference. Participants may submit up to 1 paper and 1 poster abstract maximum. Abstracts should target audiences of the following journals: *Transportation Research Interdisciplinary Perspectives*, *Transportation Research Part D*, *Progress in Disaster Science*, *Journal of Emergency Management*, and *International Journal of Disaster Risk Reduction*. Selected papers will be considered for publication in event proceedings.

## Themes

- ▶ Collaborative Education & Training Utilizing Breakthrough Technologies
- ▶ Vulnerable Populations in Remote Regions & Small Islands
- ▶ Disaster Risk Governance and Management in Pre-Service Workforce Development

*\*Abstracts exploring pre-service employment pathways and collaborative mechanisms/partnerships between higher education institutions and GOI/BNPB to meet existing shortfalls and growing demands for DRM professionals in the workforce would be particularly welcome.*
